

eComBot Shipping Guide

Standard Delivery

Standard delivery usually takes 3 to 5 business days after dispatch for metro and tier-1 locations. Remote locations may take 6 to 8 business days depending on courier reach and weather conditions.

Express Delivery

Express delivery is available only for selected PIN codes and in-stock items. The checkout page shows express eligibility before payment.

Dispatch Rules

Orders are dispatched only after payment authorization and inventory confirmation.

Accessories that are in stock are usually dispatched within 24 hours. Large electronics may require additional protective packaging before dispatch.

Tracking Help

Customers should use the order ID for tracking questions. If the carrier tracking link is delayed, support should first verify the order status from the order system.
